

Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Wednesday 28 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Heavy rain for the north and far south easing tonight.

This Evening and Tonight:

The north will be cloudy with further spells of rain, heavy at times. Scattered and locally heavy showers across southern Scotland will gradually fade this evening. Misty across some northern coasts.

Thursday:

Some showers or longer spells of rain across the north and east. Mainly dry and somewhat brighter across the southwest.

Outlook for Friday to Sunday:

Becoming mainly dry, still the odd shower around especially in the north and east. Somewhat cooler and fresher than of late.
